STONE

*Retaining Excellence*<sup>™</sup>

## *KEYSTONE Victorian Stone*<sup>™</sup> *Advantages:*

- ATTRACTIVE beveled face appearance.
- LARGER open cores for ease-of-filling.
- QUICK & easy alignment.
- IDEALLY suited for any application.

Ideal for residential and commercial construction, **KEYSTONE VICTORIAN STONE**<sup>™</sup> provides unique benefits for both the contractor and owner. Large open core space in the center of the unit ensures sufficient infill placement and reduced weight for ease of handling. The **KEYSTONE VICTORIAN STONE**<sup>™</sup> system has a clean uniform appearance that blends harmoniously with any landscape setting.

**\*Universal Cap unit**

4" h x 18"/14" w x 10.5" d  
 (100 x 450/350 x 265 mm)  
 48 lbs. (22 kg)

**\*Medium unit**

8" h x 18" w x 12" d  
 (200 x 450 x 300 mm)  
 85 lbs. (39 kg)

**\*Large unit**

8" h x 18" w x 21.5" d  
 (200 x 450 x 550 mm)  
 105 lbs. (50 kg)

FIBERGLASS PINS  
 1/2" diameter x 5 1/4" h

**KEYSTONE VICTORIAN STONE™** is made of high-strength, low absorption concrete for long lasting structures. All structural units are interconnected using high-strength fiberglass pins for strong shear connection. The connecting pins allow for ease-of-unit alignment and a secure positive mechanical connection with soil reinforcement materials. Keystone's patented fiberglass pin system is the critical difference providing the safety and security of a structural retaining wall solution!

**SPECIFICATIONS • KEYSTONE VICTORIAN STONE STRUCTURAL UNITS**

<b>COMPRESSIVE STRENGTH</b> .....	Minimum 3000 psi
<b>ABSORPTION</b> .....	Strength 8%
<b>REFERENCE STANDARDS</b> .....	ASTM C-1372, ASTM C-140

**KEYSTONE VICTORIAN STONE™** walls can be built to great heights with proper engineering. Please consult your local Keystone representative for details.

**KEYSTONE VICTORIAN STONE™** provides proven performance coupled with the unique beveled face appearance. From backyard landscaping applications to larger reinforced structures, **KEYSTONE VICTORIAN STONE™** is ideally suited for any application. Its design capabilities include several types of geometric shapes and contours, and is not limited to linear walls.

**KEYSTONE VICTORIAN STONE™** units offer several design & construction options. Its easy installation, cost effectiveness and distinctive appearance make **KEYSTONE VICTORIAN STONE™** the perfect choice for your retaining wall project.
